Tim,

I would like to reiterate what Marc was saying on the phone before. I am very impressed with your work effort and the final product shows it. I love the website and I think it looks great. I know it is difficult to deal with myself and Marc because we have so many other things going on, but you persisted and I love the finished product. You did a great job and you should be very proud of the website. Thank you for your hard work and dedication, it means a lot to all of us.
