Proprietary Trading Firms Directory

Listing of Proprietary Trading Firms.

Links

- **Advantage Futures** - Advantage is a clearing member of the Chicago Mercantile Exchange, the Chicago Board of Trade, The London Clearing House, The Clearing Corporation as well as a non-clearing member of Eurex and Eurex-US.
- **Allston Trading** - Allston Trading, LLC, is a premier market maker in worldwide financial exchanges. We trade hundreds of different stocks, bonds, futures, options and other financial instruments in over 30 exchanges.
- **Archeon Group** - Archeon LLC is an options market maker and proprietary trader of exchange listed options, futures and equities in the US, Europe, and Korea.
- **Assent** - Assent is a national equities trading firm that currently serves hundreds of traders across the country.
- **Avatar Trading** - Trading services for individual traders and large trading groups.
- **BOSS Trading** - A Chicago-based proprietary trading group with a strong background in intermarket relationships and spreads, from both a fundamental and technical standpoint. Primarily focusing on European market hours, BOSS Trading has over 7 years experience in trading electronic debt, equity, and commodity futures.
- **Bear Capital** - Bear Capital Fund is a private fund that does not seek outside public investments. There are currently two main branches of business, in which BCF operates. BCF has a portfolio management division for its members and BCF has a proprietary trading division. BCF accepts traders for its proprietary division from all over the world.
- **Belvedere Trading** - Belvedere Trading is a proprietary trading firm specializing in equity index options.
- **Blue Capital Group** - Blue Capital Group is a privately held futures and options trading firm based in Deerfield, Illinois.
- **Breakwater Trading** - Breakwater is an agile, focused, proactive organization that strives to integrate technology with intelligence and market vision.
- **Bright Trading** - Bright Trading, LLC is a professional, proprietary stock trading firm. We have hundreds of independent traders who trade from dozens of locations throughout the United States. In addition, our "Bright-At-Home" traders enjoy the benefits of proprietary trading from the comfort of their homes.
- **Broad Street Trading** - Broad Street Trading is a private equity trading firm formed to manage and trade its own funds.
- **Capstone** - Trades, equities, commodities, fixed income and money markets around the world. Offices in London, New York and Chicago.
- **Chicago Trading Company** - Chicago Trading Company (CTC) is a proprietary market making firm and is recognized internationally as a leading provider of pricing and liquidity on all U.S. derivatives exchanges.
- **DRW Trading Group** - The DRW Trading Group is an aggressive, dedicated organization engaged in many different aspects of the trading industry, including market making and proprietary trading. Offices in Chicago, New York and London.
- **DV Trading** - DV Trading is a proprietary trading firm that executes on all major North American and European futures exchanges in a variety of asset classes.
- **Dimension Brokerage** - Dimension Brokerage, LLC is a full service trading firm specializing in providing trading services to professional traders.
- **EchoTrade** - ECHOtrade is a professional trading firm dedicated to the needs of the serious, off-floor trader.
- **Eldorado Trading** - Eldorado Trading, LLC, is a proprietary trading firm that capitalizes on global fixed income markets— CME Eurodollars, CBOT Treasuries, LIFFE Euribor—by being the leading innovator of the electronic trading world. The founders of Eldorado have been trading electronically since the inception of screen trading in the early 1990s, giving the company an edge as transactions migrate from open outcry in the trading pits to electronic trading on the screens.
- **Fusionary Trading** - Fusionary uses a synthesis of the wisdom of the ages and time-tested tools to help you make more money in less time.
- **Futex Trading** - Futex was set up by traders who had been open-outcry trading on the LIFFE floor since 1990. In 1998 when the LIFFE floor was migrating onto computer screens Futex traders were one of the first to establish a professional computer based trading floor.
- **GETCO** - GETCO is a privately-held, electronic trading firm dedicated to enhancing liquidity and efficiency in the world's financial markets.
- **Gelber Group** - Gelber is a unique service provider for the individual professional trader, professional trading group, or institution. We have an unwavering focus on technology management and service, as we seek to expand our access to liquid electronic markets around the world. Gelber Group maintains the philosophy that clear communication and interaction bring successful trading results.
- **Genesis Securities** - Genesis provides a fully customizable, state of the art DMA platform Laser for the sophisticated trader.
- **Geneva Trading** - Geneva Trading is a proprietary electronic trading firm
